Judge-Why did you give a fictitions name? Prisoner-Bec use this is Lent. Judge-I don't understand what hat has to do with the case.

Prisoner-Lent is a period of sel

lenial, isn't it? Protect Your Health.

Cold and moisture combined have a torportising effect upon the bodily organs, and the digestite and secretive processes are spit to be more tardily performed in winter than in the fail. The same is true, also, of the excretory functions. The bowels are often suggish, and the pores of the skin turow off but little waste matter at this season. The system, therefore, requires opening up a little, and also purifying and regulating, and the safest, surest and most thorough tonic and alterative that can be used, for these purposes is Hostster's Stomach binant. Second who wish to escape the rheumatic twinges, the different distributions of the bowels, the bille 5 attacks, and the nervous visitations, so common at this time of the year, will downled vegetable stomachie and invigorant. It improves the appetite, strengthess the stomach cheers the apirits, and renovates the whole physique.
